1. Overview

Diamond Trading Company Botswana (DTC Botswana) is a 50/50 Joint Venture partnership between the Government of the Republic of Botswana and De Beers. It is the world's largest and most sophisticated rough diamond sorting and valuing operation.

DTC Botswana sorts and values Debswana Diamond Company's rough diamond production. Debswana Diamond Company (Pty) Ltd is a 50/50 Joint Venture partnership between the Government of the Republic of Botswana and De Beers. The main purpose of DeBeers Company is to mine and recover diamonds optimally and responsibly.

2. Introduction

DTC Botswana would like to increase the standby time for the three uninterruptible power supplies (UPS) from three (3) hours to eight (8) hours for the Diamond Trading Company and Diamond Cleaning Plant. The main objective of the proposed upgrade is to ensure that all critical infrastructure and equipment connected to the UPS has enough standby time to sustain all the connected equipment in case of loss of power from the Botswana Power Corporation and/or standby Generators, thereby ensuring business continuity and providing safety assurance to personnel.

3. Invitation to Tender

Suitable electrical contractors are invited to submit proposals for the upgrade of the Uninterruptible power supply system. The services are to be rendered at DTC Botswana premises, Plot 63016, Airport Road, Block 8, Gaborone.

4. Scope of Work

The work breakdown structure covers the following:

- I. Site survey - to get all the measurements and to study the existing drawings
- II. Design a system which will integrate to the existing DTCSB UPS system, with all necessary drawings ready for installation.
- III. Do all the civil works that need to be done before installation of the equipment needed to integrate to the existing system (Consider all the services that will affect the works i.e., Electrical, Fire, HVAC, network etc. and make provisions for the services if they are going to be affected) including disposal of any rubble/rubbish from the civil works.
- IV. Supply and install all the necessary equipment to upgrade the UPS system from 3 hours standby time to 8 hours standby time.
- V. Integrate, commission, and test the upgraded UPS system

- VI. Handover and skills and knowledge transfer (including training on the newly installed system and maintenance of the system)
- VII. Site Clearance / demobilization, housekeeping.
- VIII. After Service Support (including Warranty)

5. Site Visit

Prospective bidders are required to attend a compulsory site visit on the **09th June 2023 at 0900 hours** at DTC Botswana office, Plot 63016, Block 8, Gaborone. Those attending site visit should provide name of the company, attendees' full names, gender, ID(Omang) number or passport number (non citizens), description, model and serial number of any equipment they will be carrying except cell phones no later than **12 noon on the 07th June 2023**. Details should be emailed to tenders@dtcb.co.bw . Site visit attendees are required to wear personal protective equipment; safety shoes, long sleeve overall with a reflective strip, hard head and goggles. You are required to carry your Identity(Omang) card or Passports(Non-citizens).

6. Submission of Proposal

Proposals should be emailed to tenders@dtcb.co.bw before the tender closing date. Facsimile, telephonic submissions, late and incomplete submissions will not be accepted.

7. Enquiries prior to tender closing date

Prospective tenderer requiring any clarification of the tender document may notify DTCCB in writing or by email to tenders@dtcb.co.bw. DTCCB will respond in writing to any request for clarification of the tender document which it receives no later than **13th June 2023 at 1500hours**.

8. Tender Validity Period

The tender shall be valid for 3 months (90 calendar days) from the tender closing date.

9. Tender Submission and Award

- I. DTCCB reserves the right to amend or cancel this tender.
- II. DTCCB is not bound to appoint the lowest or any other tenderer.
- III. The decision on the award of the tender solely remains with DTCCB.
- IV. DTCCB shall not be liable for the expenses incurred during preparation

- V. The proposals should be in English.

10. Legal requirements

- I. DTCB will enter into a formal contract with the awarded bidder prior to starting the work. It is a pre-requisite to ensure that the parties are both committed to the assignment.
- II. The contract shall be managed in accordance with the Botswana laws. Tenderers are responsible to familiarize themselves with the laws of Botswana

11. Compliance Requirements

Successful tenderer shall be expected to comply with the following:

- i. DTCB Safety, Health and Environment requirements as detailed in **Annexure B**.
- ii. Business Integrity principles as detailed in **Annexure D**.
- iii. Security Requirements as detailed in **Annexure E**.

12. Modification and Withdrawal of tender

- I. The tenderer may modify or withdraw its tender after submission of the tender provided that a written notice of the modification, including substitution or withdrawal of the tender is received by DTCB prior to the deadline prescribed for submission of tender.
- II. No tender may be modified after the deadline for submission of tenders.
- III. No tender may be withdrawn on the interval between the deadline for submission of tenders and the expiration of the period of tender validity.

13. Amendment of Documents

- I. At any time prior to the deadline for submission of tenders, DTCB, for any reason, whether at its own initiative or in response to a clarification requested by a prospective tenderer, may modify the tender document and send written amendments or addendum to all tenderers who have been invited to tender.
- II. In order to allow prospective tenderers reasonable time in which to take the amendments into account in preparing their tender, DTCB, at its own discretion, may extend the deadline for the submission of tenders.

14. Clarification of tenders

To assist in the examination, evaluation and comparison of tenders, DTCB may at its discretion, ask the tenderer for clarification of its tenders. The request for clarification and the response shall be in writing and no change in the prices or substance of the tender shall be sought, offered or permitted. Any effort by the tenderer to influence DTCB in its tender evaluation, comparison or contract award decision will result in the rejection of the tenderer's tender.

15. Authority of tender

The Tender must be signed by a person duly authorised to do so.

16. Errors in the tender document

There shall be no erasing or overwriting for any mistake which is corrected in the tender document

17. Instructions to Tenderers

- I. Bidders are responsible for verifying existing conditions, measurements, tools, scaffold services and any other materials necessary to perform this scope of work.
- II. Bidders shall provide a site safety plan/documented safety program that meets that meets ISO 14001:2015 and ISO 45001:2018 standards and includes means of providing a safe work environment for their employees, a competent safety officer should also be provided by the contractor to oversee this.
- III. The contractor to provide onsite supervision of the contract work including Safety Health and Environment requirements.
- IV. Bidders should submit abridged curriculum vitae (CV) of their technical personnel which covers academic qualifications and experience. Copies of certified academic qualifications should also be submitted. Engineers Practicing certificate from Engineering Registration Board should be submitted.
- V. Bidders are requested to submit details of at least three (3) reference sites where they have performed similar work and the contact details of a person who can be contacted to get more information on the tenderer's performance on the engagement.
- VI. All works should be carried out in a safe manner and relevant safety precautions incorporated in all activities. The tenderer will be responsible for the safety of its employees or subcontractors or any member of the public. Proof of insurance cover for the employees (workmen's compensation) should be submitted.

- VII. The tenderer shall provide all tools and equipment necessary for the purpose of carrying out the specified work in an organized and expeditious manner.
- VIII. DTCB (client) may from time to time during the course of the contract inspect any completed or part-completed work of the contractor and if its not satisfied with the work, the contract shall rectify accordingly.
- IX. No variation, alteration or addition to the scope of work shall be made unless the written instruction of DTCB has been obtained. DTCB may increase the scope of the work and the contractor shall carryout the work at the agreed rate.

18. Tender Price

- I. Tenderers are required to provide a detailed price breakdown in accordance with the scope of work. The total price should match the one in the form of tender.
- II. The contract price shall be fixed for the entire duration of the contract and the tenderer should allow within the scope of this tender for any variation subject to inflationary adjustments, which may affect the cost of the work during the contract period.
- III. Price charged by the contractor to undertake the scope of work shall not vary from the price quoted in the tender document.
- IV. Payment shall be made within 30 days from the date of receipt of an invoice. Payment shall be made through electronic funds transfer into the supplier's account.
 - I. All prices should be stated in the currency of the country where the bidder is domiciled e.g Pula (BWP) for all Botswana based companies.

19. Withholding tax

DTC Botswana shall withhold tax on services provided in Botswana by non-resident companies. Withheld tax shall be in accordance with the prescribed rates in the statutory and double taxation agreement.

20. Form of Tender

Tenderers are required to complete and submit form of tender contained in **Annexure F**.

21. Medical Emergency and Care

In the event of an injury to the service provider's employees or subcontractors while performing work at DTC Botswana, DTCC Botswana shall within a reasonable time evacuate the injured person to the nearest private hospital for temporary medical care. The service provider shall make its own arrangements should extended medical care be required. The cost for emergency evacuation and temporary medical care shall be borne by the service provider.

22. Work Permits

Contractors are required to arrange work permits for their non-citizen personnel to be allowed access into the DTCC building to provide the service.

23. Tender Evaluation

Tender evaluation criteria are contained in **Annexure A**.

24. Security Vetting

Bidders who have satisfied all the tender evaluation stages shall be subjected to the DTC Botswana internal security vetting process before award decision is made. Bidders are required to **complete the security vetting form in Annexure C, attach copies of Directors' IDs, copy of certificate of incorporation (CIPA registration and company extract for Botswana registered companies) and submit as part of the proposal.**

25. Confidentiality

All documentation and any other information produced will be the intellectual property of DTCC exclusively and should be treated as confidential. No information obtained by the Service Provider as a result of the consultancy shall be given or applied to a third party without written consent from DTCC.

ANNEXURE A - TENDER EVALUATION CRITERIA

Bidders are advised that the tender shall be evaluated in five stages:

Stage 1: Compliance

Stage 2: Technical Evaluation

Stage 3: Safety Health and Environment

Stage 4: Financial Evaluation

Stage 5 : DTCB Security Vetting

STAGE 1: COMPLIANCE

Proposals should satisfy the following compliance requirements to be considered for further evaluation:

- a) Submission of a Copy of a Certificate of Incorporation
- b) Submission of a Copy of a valid Tax Clearance Certificate (validation will be done on the BURS portal for Botswana registered companies)
- c) Submission of a Copy of Share Certificate(s)
- d) Submission of Company Directors' details.

STAGE 2: TECHNICAL EVALUATION

Compliant bids shall be evaluated to determine compliance to the set criteria. The following Shall be considered at this stage:

- a) Experience of the company(bidder)
- b) Academic/professional qualifications of all proposed key personnel (those who would be deployed to provide service). Copies of certified academic certificates including valid Engineers Registration Board (ERB) practising certificates should be submitted.
- c) Experience of proposed key personnel in (b) above.
- d) Client reference letters where the company has previously been engaged or currently contracted to deliver similar services.
- e) Methodology and Approach
- f) Project plan with clear deliverables and timelines

STAGE 3: SAFETY HEALTH AND ENVIRONMENT ASSESSMENT CRITERIA

Proposals should satisfy the following SHE requirements to be considered for further evaluation:

- a) Submission of a SHE Policy
- b) Submission of a Risk Management Plan specific to the scope of work.
- c) Submission of SHE appointees' credentials; abridged curriculum vitae containing their academic and/or professional qualifications and relevant experience.

STAGE 4: FINANCIAL EVALUATION

Technically compliant bids shall be subject to financial evaluation. In the financial evaluation of the tender, the following will be considered:

I. Arithmetic Check:

- The tender will be checked for arithmetic errors. Tenderers will be notified in writing for any errors.
- Where there is discrepancy between amounts in figures and in words, the amount in words will be the amount taken into account;
- Where there is a discrepancy between a unit price and the total amount derived from the multiplication of the unit price and the quantity, the unit price quoted will be the price taken into account.
- Amounts corrected as above will be binding on the tenderer. If the tenderer does not accept them, their tender will be rejected
- Amount should include VAT if the tenderer is VAT registered

II. Competitiveness of the quoted price

STAGE 5: SECURITY VETTING

Security vetting shall be undertaken before recommendation for award, bidder must satisfy

the requirements to be eligible for award.

Tender award will be made to the most compliant bid based on the outcome of the five evaluation stages.

ANNEXURE B: SAFETY HEALTH AND ENVIRONMENT OBLIGATIONS
